Find Your Insurance Company

Policyholders with questions regarding their coverage for damage caused by a disaster should call the number provided on their policies or contact their insurance agent. Those policyholders unable to get to their policies can contact special toll-free numbers set up by insurance companies.

Keep in mind that due to high call volume in the wake of a disaster, it may take some time to get through on some numbers—please be patient.

Flood insurance policyholders who don't know who their insurer or administrator is can contact the National Flood Insurance Program (888-379-9531). The only information required is your name, the state where you live and your zip code.

Here is a list of claim contact numbers:
