This powerpoint report, presented at the Florida Chamber of Commerce Insurance Summit, provides an update on Florida property/casualty (P/C) insurance market trends with a focus on challenges and opportunities. It also provides an in-depth look at profitability and growth in the Florida P/C insurance market line-by-line in comparison with the U.S. average. It also discusses financial results for the P/C overall for 2014 through the first half of 2015, and explores investments, capital/capacity, alternative capital, M&A, growth, pricing trends and performance. It concludes with a look at insured catastrophe losses from 2013-2015.
