**NEW YORK, September 2, 2005**-Policyholders with questions regarding their coverage for damage caused by Hurricane Katrina should call the number provided on their policies or contact their insurance agent. Those policyholders unable to get to their policies can contact special toll-free numbers set up by insurance companies. This and other hurricane-related information can be found at http://www.disasterinformation.org/

Flood insurance policyholders who don't know who their insurer or administrator is can contact the National Flood Insurance Program (800-427-4661). The only information required is your name, the state where you live and your zip code.
